## Supporting Our Local Business Community

We are thrilled to announce our second year of awarding the Meszaros Charitable Fund Business Awards!

The purpose of the awards program is to encourage entrepreneurship, create a network of support, promote an active business environment and inspire others to make an impact in their communities. The Meszaros Charitable Fund promotes and supports entrepreneurial endeavors of local and regional small business owners in the name of the late Gary "Moe" Meszaros, an entrepreneur who was never afraid to take a leap of faith.

The New Business Award recognizes entrepreneurial endeavors that demonstrate exceptional potential for growth and community impact.

**The top award for 2026 is \$10,000.**

We believe that such awards will not only benefit recipients financially but also provide an opportunity to showcase their businesses and build their professional network throughout the region.

This year, we are looking for a Key Sponsor for the awards. The sponsorship is a \$5,000 donation. Your logo and business name will be included on our promotional materials. Your sponsorship for the Meszaros Business Awards will enable you to join in the legacy left by Moe and showcase your business to new potential customers and growing businesses.

We welcome all levels of Executive Sponsorships as well. These sponsorships will help us continue to grow our Business Awards Program, offer additional categories, and promote a thriving business community.

If you have any additional questions or would like to discuss sponsorship opportunities, please contact:

Board President, Brian Wallace at [BWallace@FringeBenefitServices.com](mailto:BWallace@FringeBenefitServices.com).

We look forward to your partnership!

**With gratitude,**

The Meszaros Charitable Fund Business Awards Committee
